JUDGMENT

Balakrishnan Nair, J.

The petitioner submits that he is running an engineering workshop. The members of respondents Nos.4 to 7 approached the petitioner claiming loading and unloading work in the said establishment. It is also alleged that he was manhandled by them. So this writ petition was filed seeking police protection.

2. This court on 21.11.2006 directed the police to see that law and order is maintained. Petitioner submits that in view of the said order, he was able to run his establishment.

3. We heard the learned Government Pleader for respondents 1 to 3 and also the learned counsel appearing for the party respondents.

4. If the party respondents have any claim for employment in the petitioner's establishment, they may move the statutory authorities and establish the same in appropriate proceedings.

In view of the interim order mentioned above, no further orders are required in this petition. Accordingly it is closed.
